

"If any of us saw a child drowning, we'd not think twice about damaging a pair of expensive shoes diving in to try to save her ... when you give to Ruben, you know you will be saving that child" - Martin Hosking

2016 AFL LUNCH

We were delighted our AFL Lunch was a sell-out 3 weeks in advance, attracted a record attendance of nearly 500 and has almost matched last year's record raising (\$179,000) - **where every dollar raised goes directly to those in need.**

Frank and his team continue to lift the bar, expanding the services provided at the Ruben Centre, which relies on The 500 Supporters' Group for virtually all of its day to day running costs. While we should all be incredibly proud of our role in supporting Ruben's fantastic growth, we also need to remember that as Ruben grows so must we.

So a huge thank you to our Members, sponsors and donors, you are helping to support Ruben's extraordinary and ever-growing work and we look forward to seeing you again at our Spring Racing Lunch in November.
